

**IN THE DRAWINGS:**

The Official Action indicates that “Figure 7” is objected to. Applicant respectfully notes that “Figure 7” is actually sheet 7 of the Drawings and is designated “Figure 3”. Applicant notes that the Figure is asserted to be difficult to read. Applicant urges for the Figure is sufficiently clear for the information it provides and the objection should be withdrawn. However, in an attempt to advance the application, Applicant is attempting to obtain a better copy which shall be forwarded under a separate cover.
